All specification values in this document are reproduced from the manufacturer's published product specification (Mitsubishi Gas Chemical m-Xylene) — to be confirmed against the first import Certificate of Analysis, cross-checked against the manufacturer's published documentation and Certificate of Analysis. Supreme Petro Chemicals provides this Technical Data Sheet in good faith for reference only and accepts no liability for errors, omissions, or subsequent revisions by the manufacturer; the manufacturer's current documentation prevails. This is not a Certificate of Analysis — a batch-specific CoA accompanies every consignment.
