All specification values in this document are reproduced from the manufacturers' certificates of analysis (Kaleesuwari 2019-20; Jocil Sept 2020, IS 1796); limits met by both makers, cross-checked against the manufacturer's published documentation and Certificate of Analysis. Supreme Petro Chemicals provides this Technical Data Sheet in good faith for reference only and accepts no liability for errors, omissions, or subsequent revisions by the manufacturer; the manufacturer's current documentation prevails. This is not a Certificate of Analysis — a batch-specific CoA accompanies every consignment.
